

Aliso Niguel

Boys Golf

Dear Parent/Guardian,

Tryouts will begin in February for returners. New students to the program will have an opportunity to tryout beginning in November.

Requirements for students wishing to tryout:

Tryouts are free to students but the golf program must secure the following: tryout facilities, such as putting greens, chipping areas, bunkers, ranges, range balls and both private and public golf courses for tryouts. To help with these expenses and have students show their appreciation, they are required to participate in a small team fund-raiser and do a couple of volunteer hours at the golf course.

- School District's Physical & Athletic Clearance Form (must be completed each year - good for any all sports during school year). May not tryout if form is not turned in.
- CUSD Off Campus Activity/Class Transportation Waiver Agreement
- Participate in 'Volunteer Program' at Country Clubs and Golf Clubs that allow us to use their course
- Small fund raiser

Students making the team must also complete/participate in the following:

- Golf Team Code of Conduct Form
- Second and final team fund raiser
- Spirit Pack, \$325 (includes 2 Team Shirts, hat, ball mark repair tool, golf balls for contests, range balls and any golf course fees) due by February 1, 2007 or one week following the announcement of making the team. Advertising signs (\$300 each) for gymnasium or stadium may be secured and their spirit pack fee will be reduced by \$175). An additional banner may be secured instead of the fund-raisers.
- 16 hours of volunteer work at Golf Courses, where students play for free.
- Golf Team Awards Banquet

Looking forward to a fun and rewarding 2007 golf season.
It's great to be a Wolverine !!
